■ Option ● Standard – Not possible

evan Standard specification

Chassis / base vehicle

- Fiat Ducato X/250 with Common-Rail-Turbo Diesel technology and Multijet direct injection
- Fiat technology with EURO 5+ engine
- Front wheel drive
- **ESP & ASR with Hill Holder**
- **ABS/ EBD**
- **Fuel tank with 90 l volume**
- Cab air conditioning manual
- Interruption of fuel supply and retraction of steering column for your safety
- Disc brakes
- **Dethleffs Pilote seats with height/ inclination adjustment and two upholstered armrests**
- Stronger suspension springs
- **Electrical window lift**
- **Electrical and heated cab mirrors**
- Break-down kit
- **LED day-time-running lights**
- **Cab blinds**

Conversion

- Insulation with expanded Polystyrene (EPS)
- **GRP underfloor**
- Floor thickness: 41 mm, sidewall/ roof: 34 mm
- Smooth White exterior sides
- **Modern and repair-friendly front**
- **Multi-part rear moulding with LED rear lights**
- **Robust GRP roof**
- **Pull-down bed with double locking system**
- 3rd brake light embedded into the rear wall
- Two clear glass skylights (40 x 40 cm)
- Access locker door (rear/right)
- **Panorama window "Privacy Black" for kitchen**
- **Panorama window "Privacy Black" for seating lounge area**
- Multi-functional waste bin in entrance area

- **XL entrance door**
- **XL door for the rear**
- **Cab door (driver's side)**
- **Floor compartment**
- Electrical entrance step
- Window for bathroom
- Swivel driver and passenger seats (not for I 560 D)
- Head rests height-adjustable in automotive optic

On-board technology

- LED illumination for overhead lockers
- **Webasto Diesel heating Dual Top 100**
- **Powerful 95AH AGM leisure battery**
- Starter and leisure battery with automatic switch-over (also for fridge)
- Electrical charger for starter and leisure battery 12V/18A
- CEE 230V external power outlet with safety device
- Powerful submerged water pump
- Warm water supply with one-handle mixer tap
- On-board control panel with analogue display
- Earth Leakage Circuit Braker
- **USB connection**
- **Awning light**

Kitchen

- One-burner-hob cooker embedded into the kitchenette
- Integrated kitchen sink made of stainless steel
- **Compressor fridge incl. freezer by Webasto**
- Kitchen drawers with SoftClose function

Bathroom

- "Flex" toilet
- **Intelligent bathroom solution**
- Wash bowl made of stainless steel
- Cloth rail
- Flexible shower with shower curtain

Living comfort

- Automotive furniture construction made in Germany
- Cold foam mattress for pull-down bed
- Clothing hook for living room
- **High-quality, automotively shaped seating cushions**
- Slender furniture design for much space

Interior design

Bi-colour wood décor Welsh White and Tiny Wood with soft furnishing Imola
Option: real leather Impulse (see equipment variants)

evan

dare to be different

The "Mass in running order" according to the European Regulations 92/21 EG and EN 1646-2 includes the empty vehicle weight, the driver's weight and 90% fuel capacity, filled water tank, 3 kg gas cartridge and cable reel. The term "Maximum Authorised Weight" must not be exceeded when personal items are taken into account.

The sizes and weights are approximate values. The mass in running order applies for a standard model without any optional extras. The evan technical information is valid from the 1st of August 2013. Dethleffs reserve the right to alter technical and material specifications and standard equipment at any times as material and conditions demand.

Please note: The price of Dethleffs products in various European countries will differ.
