Your local Dethleffs dealer will be pleased to inform you about optional fittings and technical details for your favourite model. Prises for optional fittings are valid in conjunction with batch production only. Packages are only available with a binding order of a new vehicle. All weight indications are approximate values. The fitting of optional extras will increase the vehicle's weight and reduce the maximum user payload.

Subject to change, errors excepted.
Valid from 07/01/2013.
